Life messages:

- **We need to know Jesus the Truth and walk Jesus the Way:** Jesus asked Philip: "Have I been with you all this time and you still do not know me?" He is asking us the same question: "Have I been with you all this time – in the Mass, in the Sacraments, in the Bible in the worshipping community – and you still do not know me?" If we really believe that Jesus is the Way and the Truth and the Life, then we will find fresh and creative ways to keep alive his memory. Jesus asks us to keep alive his memory by reading and praying the Scriptures, by gathering in Jesus' name and celebrating the Eucharist "in memory" of him, by handing on the great tradition of Christian Faith and by living according to his wise teachings. Jesus says, "If you believe in me, you will do the work I do." This is the work he's talking about: creating safe, secure, happy places for one another in which the really important work of life – transformation and big-family building – can happen. We can help one another "get a life" in the same way Jesus did – by recognizing the powerful effect we have on one another, for good or ill, and by consciously deciding to make even our smallest choices add up to safe, secure, happy spaces where every member of our big family can grow whole.
- **We need to possess Jesus the Life.**
 We share the Divine life of God by making use of the means Jesus established in his Church:
 - a) by actively participating in the Eucharistic celebration and properly receiving the Body and Blood of Christ in Holy Communion;
 - b) by the worthy reception of the other Sacraments;
 - c) by the meditative and daily reading of the Word of God;
 - d) by following the guidance of the life-giving Spirit of God, living within us; and
 - e) by communicating with God, the Source of Life, in personal and family prayers.

POPE FRANCIS PRAYERS FOR THE MONTH OF MAY

First Prayer to Our Lady

○ Mary, You shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick, who, at the foot of the cross, were united with Jesus' suffering, and persevered in your faith. "Protectress of the Roman people", you know our needs, and we know that you will provide, so that, as at Cana in Galilee, joy and celebration may return after this time of trial. Help us, Mother of Divine Love, to conform ourselves to the will of the Father and to do what Jesus tells us. For he took upon himself our suffering, and burdened himself with our sorrows to bring us, through the cross, to the joy of the Resurrection. Amen. *We fly to your protection Holy Mother of God; Do not despise our petitions in our necessities, but deliver us always from every danger, O Glorious and Blessed Virgin.*

Second Prayer to Our Lady

"We fly to your protection, O Holy Mother of God". In the present tragic situation, when the whole world is prey to suffering and anxiety, we fly to you, Mother of God and our Mother, and seek refuge under your protection. Virgin Mary, turn your merciful eyes towards us amid this coronavirus pandemic. Comfort those who are distraught and mourn their loved ones who have died, and at times are buried in a way that grieves them deeply. Be close to those who are concerned for their loved ones who are sick and who, in order to prevent the spread of the disease, cannot be close to them. Fill with hope those who are troubled by the uncertainty of the future and the consequences for the economy and employment.

Mother of God and our Mother, pray for us to God, the Father of mercies, that this great suffering may end and that hope and peace may dawn anew. Plead with your divine Son, as you did at Cana, so that the families of the sick and the victims be comforted, and their hearts be opened to confidence and trust.

Protect those doctors, nurses, health workers and volunteers who are on the frontline of this emergency, and are risking their lives to save others. Support their heroic effort and grant them strength, generosity and continued health.

Be close to those who assist the sick night and day, and to priests who, in their pastoral concern and fidelity to the Gospel, are trying to help and support everyone.

Blessed Virgin, illumine the minds of men and women engaged in scientific research, that they may find effective solutions to overcome this virus.

Support national leaders, that with wisdom, solicitude and generosity they may come to the aid of those lacking the basic necessities of life and may devise social and economic solutions inspired by farsightedness and solidarity.

Mary Most Holy, stir our consciences, so that the enormous funds invested in developing and stockpiling arms will instead be spent on promoting effective research on how to prevent similar tragedies from occurring in the future.

Beloved Mother, help us realize that we are all members of one great family and to recognize the bond that unites us, so that, in a spirit of fraternity and solidarity, we can help to alleviate countless situations of poverty and need. Make us strong in faith, persevering in service, constant in prayer. Mary, Consolation of the afflicted, embrace all your children in distress and pray that God will stretch out his all-powerful hand and free us from this terrible pandemic, so that life can serenely resume its normal course.

To you, who shine on our journey as a sign of salvation and hope, do we entrust ourselves, O Clement, O Loving, O Sweet Virgin Mary. Amen.
